

FOR IMMEDIATE RELEASE

Stevie Wonder's Funk Anthem Reimagined: Attalie Anne Delivers a Mesmerizing Interpretation of 'Signed, Sealed, Delivered'

PHOENIX, AZ - APRIL 2024 - Attalie Anne's reimagining of Stevie Wonder's beloved hit, "Signed, Sealed, Delivered," has an enchanting rawness that captivates listeners with its relatable charm. Evoking the spirit of Wonder's original, infused with her own unique essence, Attalie's rendition, which hits streaming platforms April 3, strikes that delicate balance between homage and innovation.

"I've always loved dancing to 'Signed, Sealed, Delivered,' but when I was listening to it last December, I realized the lyrics are actually pretty gut-wrenching," Attalie said. "I kind of wanted a sad-girl version for myself so I started playing around with it on my guitar. I wasn't too sure how the cover was going to turn out. Then I added the piano, and it felt like magic!"

Attalie's version reveals new layers of complexity within the song's lyrics. She delivers a thought-provoking performance that challenges listeners to reassess their connection to the original song. While the original "Signed, Sealed, Delivered" has a faster seventies, funk vibe, Attalie's updated version is sure to connect with today's listeners. It is a good example of contemporary "whisperpop," the emotive and ethereal, whisper-singing style being popularized by artists like Lorde, Lana Del Ray, Gracie Abrams and Billie Eilish.

Growing up surrounded by creativity and a diverse musical palette, Attalie's journey as a musician began with humble roots. From strumming cover tunes on a ukulele bought with her own savings, to crafting heartfelt original songs inspired by years of writing poetry, her passion for storytelling shines through. Demonstrating a penchant for clever wordplay and an eclectic taste in music ranging from classic rock to indie and French pop, Attalie delivers a fresh perspective and memorable melodies.

Her first EP, *Things I Said*, featuring 5 original tracks, unveiled Attalie's talent for crafting infectious hooks and endearing verses that strike a chord with listeners of any age. With vocals reminiscent of a past era and songwriting skills that defy her youth, Attalie invites audiences to experience music in a way that feels, at once, both familiar and refreshingly new.

"Signed, Sealed, Delivered" marks another milestone in Attalie's burgeoning career, offering a glimpse into her evolving artistry. With a nod to Wonder's timeless masterpiece and a touch of her own introspective style, Attalie brings a fresh vibe to a beloved classic.

Find Attalie Anne's rendition of "Signed, Sealed, Delivered" along with her *Things I Said* EP on all major streaming platforms.
